Memorandum of Understanding

This Memorandum of Understanding is made at **MEGHA INSTITUTE OF ENGINEERING AND TECHNOLOGY FOR WOMEN** on Tuesday of 28th December, 2021.

BETWEEN

Conscience Technologies is a fast growing technology solution and service provider established in 2010. Conscience Technologies has highly skilled and dedicated IT Professionals to provide customized IT Solutions for several industries using 10 Years of Technical Experience having its Corporate office at #17-83/2c, 3rd floor, Annapurna Function hall lane, Dilsukh Nagar, Hyderabad-500060, hereinafter referred to as "CT" (which term shall so far as the context admits be deemed to mean and include its successors, administrators, executors and Trainees) of the **First Part**.

AND

MEGHA INSTITUTE OF ENGINEERING AND TECHNOLOGY FOR WOMEN located at **Survey No.7, Edulabad(v), Ghatkesar(M), Medchal(D), Telangana-501301** hereinafter referred to as “**MIETW**” (Which term shall so far as the context admits be deemed to mean and include its successors and assigns) of the **Second Part**,

WHEREAS:

1. CT is a Training Partner associated with various Colleges for providing training to the students as part of their project development and training activity.
2. **MIETW** College is an Educational institution affiliated to **JNTU** University. The College offers various Under Graduate program in **ECE, EEE** Stream.
3. **MIETW** College is willing to enter into a Memorandum of Understanding (MOU) with **CT** for the skills enhancement initiative through project development and training, the technology platform and other face to face initiatives.

NOW IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES HERETO AS UNDER:

1. Objective:

The objective of this MOU is to enable students of **MIETW** College access resources that would enhance their employability.

2. Period of MOU:

This MOU shall come into force and effect from the date of execution and shall remain valid for a period of **01(One)** year from such date after which the same may be reviewed by either party. However, if the same is not renewed this arrangement will be deemed terminated on the expiry of the said duration period.

3. Roles & Responsibilities of the CT:

1. CT shall provide services to **MIETW** like Internships opportunities, Providing Assistance to Project work, Arranging Guest Lectures, Enhancing the Technical skills

of the students, Arranging Industrial visits, Conduct of Faculty Development Program(FDP) etc.

2. Two engineers from M/s Conscience Technologies will be available for guiding the students at any instant of time whenever event is carried out at MIETW.
3. The event schedule prepared by coordinators of the department and Director M/s Conscience Technologies shall be strictly followed.
4. Class rooms and labs with necessary teaching aids shall be provided by the college during the event.
5. The agreement shall hold good for the academic year 2021.
6. CT will arrange for assessment of its own and also arrange external assessment as required.

4. Roles & Responsibilities of MIETW:

MIETW shall provide necessary infrastructure to CT for conduct of any event as scheduled by CT on confirmation.

MIETW shall adhere to the terms and conditions as laid by CT.

MIETW shall ensure that minimum numbers of participants are arranged for any event scheduled.

MIETW shall agree to pay if any financial implications are involved in conducting the event discussing upon both parties.

5. Other Terms & Conditions:

Following are the other terms and conditions of MOU:

- a. The students enrolled should complete the task as scheduled.
- b. The students should be regular and support CT Trainers.
- c. Event Coordinator to be appointed by college
- d. Event Coordinator's/Guide's active support and participation is required for smooth & efficient conduct of the event
- e. The College shall not write/publish any material or use any logos/names of CT in any of the publications without prior written consent and approval from CT.
- f.

6. Certification:

Certificates shall be awarded by CT to the students on successful completion of the program/Event.

7. Limitations and Warranties :

Both parties agree that it would be their endeavour to prevent any liability arising out of default or non-compliance of the MOU terms by the other party.

8. Termination:

- a. Both parties can terminate the MOU with a prior written thirty (30) day notice on default of terms of non-adherence to any condition or responsibilities by the other party as outlined in this MOU in case such default is not rectified within such 30 days.
- b. Both parties also agree that it would be their professional endeavour that despite any termination of the MOU, progress would continue, which would be without any hindrance and would be progressed for completion.

9. Entirety & Amendment:

This MOU contains the entire understanding between the Parties in relation to the activities stated above. If during the operation of the MOU, circumstances may rise which call for alteration / modification to this MOU, such alteration / modification shall be mutually discussed and agreed upon in writing. Such changes will be formalized in writing as an 'Addendum' to this MOU. Any changes/amendments to this MOU not in conformance to this section shall be deemed to be void-ab-initio.

10. Intellectual Proprietary Rights:

All intellectual or proprietary property and information, supplied or developed by either Party shall be and remain the sole and exclusive property of the Party who supplied or developed same. Upon termination of this MOU and upon written request,

the Party in receipt of the requesting Party's intellectual or proprietary property and/or information pursuant to this MOU shall return such information to the requesting Party.

11. Confidential Information:

- a. Both parties undertake to each other to keep confidential all information (written or oral) concerning the business and affairs of the other, which has been obtained or received during the course(s) of performance hereunder, save that which is inconsequential or obvious;
- b. Already in its possession other than as a result of a breach of this clause; or in the hands of the public other than as a result of a breach of this clause.
- c. In the event of any of the parties becoming legally compelled to disclose any confidential information, such party shall give sufficient notice to the other party so as to enable the other party to seek a timely protective order or any other appropriate relief. If such an order or other relief cannot be obtained, the party being required to make such a disclosure shall make the disclosure of the Confidential Information only to the extent that is legally required of it and no further.
- d. Both parties agree not to deal directly or enter into any business agreement with any of the partners or associates or customers of either party during the term of the agreement and also after the agreement have been terminated, not earlier than two years from the date of termination.

12. Force Majeure:

- a. Neither party to this MOU shall be liable for any failure or delay on its part in performing any of its obligations under this MOU, if such failure or delay shall be result of or arising out of Force Majeure conditions and, provided that the party claiming Force Majeure shall use its best efforts to avoid or remove such cause of

non-performance and shall fulfil and continue performance hereunder with the utmost dispatch whenever and to the extent such cause or causes are removed.

- b. Any extraordinary event, which cannot be controlled by the parties, shall for the purpose of this MOU be considered as a Force Majeure event. Such events include acts of God, acts or omissions of any Government or agency thereof, compliance with rules, regulations or order of any Government Authority. Provided however, if either party claims that existence of any of the aforesaid conditions is delaying or disabling the performance by said party of its obligations under this MOU, such party shall give immediate notice to the other party of the existence of such conditions whose existence are claimed to delay or disable the performance of obligations as aforesaid.

IN WITNESS WHEREOF, the Parties hereto have duly executed this Agreement as on the day, month and year first hereinabove written

www.consciencetechnologies.com PH: 040 60 12 11 99

CONSCIENCE TECHNOLOGIES

A Right Platform For All Engineers...

NOW IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES HERETO AS UNDER:

1. Objective:

The objective of this MOU is to enable students of MIETW College access resources that would enhance their employability.

2. Period of MOU:

This MOU shall come into force and effect from the date of execution and shall remain valid for a period of **01(One)** year from such date after which the same may be reviewed by either party. However, if the same is not renewed this arrangement will be deemed terminated on the expiry of the said duration period.

3. Roles & Responsibilities of the CT:

1. CT shall provide services to MIETW like Internships opportunities, Providing Assistance to Project work, Arranging Guest Lectures, Enhancing the Technical skills of the students, Arranging Industrial visits, Conduct of Faculty Development Program(FDP) etc.
2. Two engineers from M/s Conscience Technologies will be available for guiding the students at any instant of time whenever event is carried out at MIETW.
3. The event schedule prepared by coordinators of the department and Director M/s Conscience Technologies shall be strictly followed.
4. Class rooms and labs with necessary teaching aids shall be provided by the college during the event.
5. The agreement shall hold good for one year from the date of MOU signed.
6. CT will arrange for assessment of its own and also arrange external assessment as required.

CONSCIENCE TECHNOLOGIES

A Right Platform For All Engineers...

4. Roles & Responsibilities of MIETW:

MIETW shall provide necessary infrastructure to CT for conduct of any event as scheduled by CT on confirmation.

MIETW shall adhere to the terms and conditions as laid by CT.

MIETW shall ensure that minimum numbers of participants are arranged for any event scheduled.

MIETW shall agree to pay if any financial implications are involved in conducting the event discussing upon both parties.

5. Other Terms & Conditions:

Following are the other terms and conditions of MOU:

- a. The students enrolled should complete the task as scheduled.
- b. The students should be regular and support CT Trainers.
- c. Event Coordinator to be appointed by college
- d. Event Coordinator's/Guide's active support and participation is required for smooth & efficient conduct of the event
- e. The College shall not write/publish any material or use any logos/names of CT in any of the publications without prior written consent and approval from CT.

6. Certification:

Certificates shall be awarded by CT to the students on successful completion of the program/Event.

CONSCIENCE TECHNOLOGIES

A Right Platform For All Engineers...

7. Limitations and Warranties :

Both parties agree that it would be their endeavour to prevent any liability arising out of default or non-compliance of the MOU terms by the other party.

8. Termination:

- a. Both parties can terminate the MOU with a prior written thirty (30) day notice on default of terms of non-adherence to any condition or responsibilities by the other party as outlined in this MOU in case such default is not rectified within such 30 days.
- b. Both parties also agree that it would be their professional endeavour that despite any termination of the MOU, progress would continue, which would be without any hindrance and would be progressed for completion.

9. Entirety & Amendment:

This MOU contains the entire understanding between the Parties in relation to the activities stated above. If during the operation of the MOU, circumstances may rise which call for alteration / modification to this MOU, such alteration / modification shall be mutually discussed and agreed upon in writing. Such changes will be formalized in writing as an 'Addendum' to this MOU. Any changes/amendments to this MOU not in conformance to this section shall be deemed to be void-ab-initio.

10. Intellectual Proprietary Rights:

All intellectual or proprietary property and information, supplied or developed by either Party shall be and remain the sole and exclusive property of the Party who supplied or

Edulabad(V),Ghatkesar(M),Telangana-501301

THE FIRST PARTY represented herein by its Name of Competent Authority /Representative

AND

Cyberaegis IT Solutions Pvt Ltd

#105, Srigiri Complex, Beside CMR Mall, Dilsukhnagar, Hyderabad, Telangana, India- 530060.

THE SECOND PARTY represented herein by its Name of Competent Authority /Representative

For

ENTREPRENEURIAL AND TECHNICAL SKILL DEVELOPMENT, OUTCOME BASED TRAININGS, PROJECTS, PLACEMENTS AND RELATED SERVICES

In particular, this MOU is intended to students and faculty of MIETW (Both UG & PG courses)-

1. Enhance skill of the student and make them ready for the industry
2. Organize various workshops on emerging Technologies.
3. Conduct practical trainings on Technologies which are in demand in the industry
4. Assist the students to developing projects
5. Generate self-employment opportunities
6. Assist the students in establishing various start-ups
7. Arrange the placement of trained student

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

Clause 1

CO-OPERATION

- 1.1 Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.
- 1.2 The co-operation between First Party and Second Party will facilitate effective utilization of the intellectual capabilities of the Second Party providing significant inputs to them in developing suitable teaching/ training systems, keeping in mind the needs of the First Party.

Clause 2

SCOPE OF THE MOU

- 2.1 Both parties believe that close co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge.
- 2.2 The Second Party will give valuable inputs to the First Party in teaching/ training methodology so that the students fit into the industrial scenario meaningfully.
- 2.3 The interaction between both parties will give an insight into the latest developments /requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs/ Workshops/ Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.4 The Second Party will train the students of the First Party on the emerging technologies in order to bridge the gap in skill and make them ready for industry.

2.5 The Second Party will extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.6 The Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs.

Clause 3

VALIDITY

3.1 The validity of the agreement is 01(ONE) year from the date of agreement.

3.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

3.3 Any dispute will be settled in the Court only where the Megha Institute of Engineering and Technology for Women is situated.

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the **7th June 2019** by and between

Megha Institute of Engineering and Technology for Women

Edulabad(V),Ghatkesar(M),Telangana-501301

THE FIRST PARTY represented herein by its Name of Competent Authority /Representative

AND

Cyberaegis IT Solutions Pvt Ltd

#105, Srigriri Complex, Beside CMR Mall, Dilsukhnagar, Hyderabad, Telangana, India- 530060.
THE SECOND PARTY represented herein by its Name of Competent Authority /Representative

For

ENTREPRENEURIAL AND TECHNICAL SKILL DEVELOPMENT, OUTCOME BASED TRAININGS, PROJECTS, PLACEMENTS AND RELATED SERVICES

In particular, this MOU is intended to students and faculty of MIETW (Both UG & PG courses)-

1. Enhance skill of the student and make them ready for the industry
2. Organize various workshops on emerging Technologies.
3. Conduct practical trainings on Technologies which are in demand in the industry
4. Assist the students to developing projects
5. Generate self-employment opportunities
6. Assist the students in establishing various start-ups
7. Arrange the placement of trained students

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

Clause 1

CO-OPERATION

- 1.1 Both parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations. The parties shall keep each other informed of potential opportunities and share all information that may be relevant to secure additional opportunities for one another.
- 1.2 The co-operation between First Party and Second Party will facilitate effective utilization of the intellectual capabilities of the Second Party providing significant inputs to them in developing suitable teaching/ training systems, keeping in mind the needs of the First Party.

Clause 2

SCOPE OF THE MOU

- 2.1 Both parties believe that close co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge.
- 2.2 The Second Party will give valuable inputs to the First Party in teaching/ training methodology so that the students fit into the industrial scenario meaningfully.
- 2.3 The interaction between both parties will give an insight into the latest developments /requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs/ Workshops/ Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 The Second Party will train the students of the First Party on the emerging technologies in order to bridge the gap in skill and make them ready for industry.
- 2.5 The Second Party will extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.6 The Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs.

Clause 3

MEMORANDUM OF UNDERSTANDING

(MoU)

BETWEEN

AAKASH INFRA

&

MEGHA INSTITUTE OF ENGINEERING & TECHNOLOGY FOR WOMEN

FOR

Student Development Programs On Different Emerging
Techniques & Practices in Construction & Space Selling

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (herein after called as the 'MOU') is entered into on this the 10 day of May 2019 (by and between AAKASH INFRA, (herein after referred as 'First Party') And MEGHA INSTITUTE OF ENGINEERING & TECHNOLOGY FOR WOMEN (herein after referred to as "Second Party"), (First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

1. First Party is a AAKASH INFRA
2. First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources and provide each of them with enhanced opportunities.
3. The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
4. Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1:CO-OPERATION

5. Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings.
6. First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to the second party in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
7. Aakash Infra would be the training delivery partner for the second party on various trending technologies
8. Training & Development and dissemination of knowledge for students of second party & affiliated colleges and employees of both the organizations.
9. Aakash Infra will reach out to students to communicate the course details, webinars, blogs, industry events etc., which will be informative or promotional in nature.
10. Aakash Infra would work with incubation centers/ innovation cells of second party(Case to case basis), to formulate the business cases and data collection process from various industry and academic bodies that are associated with the second party
11. Cooperation between both parties would be extended to any other area which may be mutually beneficial to both the organizations.

CLAUSE 2:SCOPE OF THE MoU

12. The budding graduates from the institutions could play a key role in technological up-gradation, innovation, and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
13. Curriculum Design: First Party will give valuable inputs to the Second Party in teaching / training methodology and suitably customise the curriculum so that the students fit into the industrial scenario meaningfully.
14. Skill Development Programs: First Party to train the students of second Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
15. Guest Lectures: First Party to extend the necessary support to deliver guest lectures to the students of the second Party on the technology trends and in house requirements.

CLAUSE 3: INTELLECTUAL PROPERTY

16. The first party will have the sole rights on the curriculum and related content provided in the trainings and it cannot be replicated or copied without the consent of the first party.
17. Confidentiality: Except as may otherwise be required by law, each party will hold confidential, during and after the term of this Agreement, any confidential information disclosed to it or its representatives, and will not disclose any such confidential information to any third party.

CLAUSE 4: VALIDITY

18. The period of the agreement is valid for a period of 3 years from the date of signing of this agreement
19. This agreement will be valid only at the intentions of the parties involved therein, this MOU could be dissolved or cancelled by either party any time by giving 30 days' notice and shall not have any legal bindings in nature. Should either or all the parties to it opt to not act upon, the MOU loses its validity.

CLAUSE 5:RELATIONSHIP BETWEEN THE PARTIES

20. It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

AGREED:

And

Megha Institute Of Engineering And Technology For Women
Edulabad, Ghatkesar, Medchal – Dist, Hyderabad - 501301

(herein after referred to as "**Second Party**"),

(First Party and Second Party are hereinafter jointly referred to as 'Parties'
and individually as 'Party')

WHEREAS:

1. First Party is a EdTech company: ExcelR Solutions
2. First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources and provide each of them with enhanced opportunities.
3. The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
4. Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL
PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO
AGREE AS FOLLOWS:**

CLAUSE 1: CO-OPERATION

5. Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings.
6. First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to the second party in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
7. The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.
8. ExcelR would be the training delivery partner for the second party on various trending technologies
9. Training & Development and dissemination of knowledge for students of second party & affiliated colleges and employees of both the organizations.
10. ExcelR will reach out to students to communicate the course details, webinars, blogs, industry events etc., which will be informative or promotional in nature.
11. ExcelR would work with incubation centers/ innovation cells of second party (Case to case basis), to formulate the business cases and data collection process from various industry and academic bodies that are associated with the second party
12. Cooperation between both parties would be extended to any other area which may be mutually beneficial to both the organizations.

CLAUSE 2: SCOPE OF THE MoU

13. The budding graduates from the institutions could play a key role in technological up-gradation, innovation, and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
14. Curriculum Design: First Party will give valuable inputs to the Second Party in teaching / training methodology and suitably customise the curriculum so that the students fit into the industrial scenario meaningfully.

15. Software Technologies Training: The first party will provide the trainings to the students and Faculties of the second party on different technologies like Data Science, Data Analyst, Artificial Intelligence, Tableau, Python, etc., Research and Development
16. Skill Development Programs: First Party to train the students of second Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
17. Guest Lectures: First Party to extend the necessary support to deliver guest lectures to the students of the second Party on the technology trends and in house requirements.
18. Faculty Development Programs: First Party to train the faculties of second Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
19. Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein

Memorandum of Understanding (MoU)

Thank you for your interest in RiseSharp's solution, an innovative platform to elevate an education institution to the next level. RiseSharp was founded with a simple goal of helping college students transition from college to career successfully.

The RiseSharp Platform, a strategic initiative to elevate a higher education institution, helps you:

- **Improve Your Student Outcomes:** Providing pathways to improve your students' success, and helping your students navigate the stressful process of career planning and job search.
- **Attract Employers:** Providing you with a streamlined system to attract and engage with employers. Offers a platform for employers to recruit your students 24/7, year-round, and automates on-campus and off-campus recruiting processes to reduce manual work.
- **Enhance Your Brand:** Improving your brand and reputation in the marketplace through best-in-class career development services infrastructure and improved student outcomes.
- **Gain Visibility & Control:** Empowering your organization with complete control and visibility into your student outcomes and job placement. Providing visibility & control at every level: institution, department, student Empowers institution with on-demand communication & engagement

The Framework to Elevate, Powered by RiseSharp

In current challenging times, student (& parent) anxiety about not being able to develop the necessary competencies to succeed professionally and find a job upon graduation are at the top. Tackling this challenge is paramount to the success of a higher education institution, and the institution's success depends on the student outcomes. Market leading institutions like yours are turning to new strategies and approaches to maximize their value proposition, through career pathways and mentoring for students and streamlined engagement with employers.

The RiseSharp Platform

The RiseSharp Platform helps your students plan, prepare and pursue the best path to a successful transition from college to career:

1. ASSESS

Conduct assessments to learn about their career goals, interests, values, skills, and preferences.

Features

- Know what's important to them, including criteria for their career selection
- Receive guidance that covers such areas as personality types, motivational traits and top job areas to pursue
- Define and clarify their academic and professional goals
- Explore their career possibilities: identify all the choices that are available to them as they consider their career path, both short-term and long-term
- Review the current market trends, opportunities and challenges impacting their field of interest

2. DEVELOP

Develop strategies to achieve their professional goals and prepare to increase confidence and motivation to be successful in their job search.

Features

- Develop resume using Resume Builder, including creating a PDF version of resume to post on online job search directories
- Establish a polished, professional online presence (LinkedIn Profile, Profile on Job Search Sites)
- Get interview advice to help learn the art of interviewing: Review interviewing strategies, tips and best practices
- Prepare for a library of most commonly asked interview questions, including approaches to answering them -- Questions on education, Questions on experience, Behavioral questions, Questions about Strengths and Weaknesses, Questions about salary, Open-Ended questions
- Prepare to ask an interviewer questions to show their interest and gauge "fit", including company culture
- Practice mock interview sessions

3. PLAN

Develop the plan, step-by-step, through the complete career planning and job search process.

Features

- Develop job search strategy and timeline
- Map out the best plan of action while in college
- Request appointment with career services office to discuss your career plans, job-readiness and job search plan, or discuss your graduate school plans
- Create a “best fit” companies list matched to their job goals and career interests
- Learn how to research companies and job roles, and how to make the best impression in a competitive job market
- Ask faculty and past employers for reference letters

4. EXECUTE

Connect with employers for job opportunities, including internships and other experiential learning experiences.

Features

- Leverage the internal and external job boards to identify internship and other job opportunities
- Build professional, Job-Ready skills through class projects, volunteer opportunities, summer internships and other experiential learning opportunities
- Maximize their career opportunities by improving their employment marketability and job opportunities
- Conduct an ongoing progress review to address any job search challenges and to refine job searching strategies & tactics
- Gain access to guidance on follow-up communications and salary negotiation strategies

Onboarding Process

Launching your Career Planning and Development program and portal, powered by RiseSharp, is an exciting time for you and your college. The goal of the RiseSharp’s College Onboarding Process is to deploy the solution quickly and successfully working closely with your organization:

Product License Agreement

THIS AGREEMENT is made and executed on this 9th day of November 2021, BETWEEN:

- (1) M/s Coherendz India Private Limited, a company registered under the provisions of the Companies Act, 1956, with its registered office at H. No. 2-17-76/3/1, Raghavendra Nagar, Kalyanpuri, Uppal, Hyderabad, India 500 039 and its Corporate office at #01, Catalyst (T-Hub), IIIT Hyderabad Campus, Gachibowli, Hyderabad, India - 500 032 (hereinafter referred to as "Coherendz or Licensor", which term shall, unless repugnant to the context or meaning thereof, mean and include its successors and permitted assigns) of the ONE PART;

AND

- (2) **Megha Institute of Engineering and Technology for Women** with its office in **Survey No.7, Edulabad(V) Ghatkesar(M) Medchal (Dist) Telangana 501301** (here in after referred to as "Institution or Alumni Association or Licensee"), which expression shall unless it be repugnant to the context or meaning hereof shall be deemed to mean and include the partners / its successors / The trustees from time to time of the trust, administrators, beneficiaries and the survivor or survivors of them, executors, legal representatives and permitted assigns (as the case may be) of the OTHER PART

This Agreement governs your acquisition and use of services of COHERENDZ for the Alumni Networking Solution – "Vaave" and subject to the terms conditions and realm of the various provisions contained hereinbelow:

1. Coherendz will build and deploy the Alumni Networking Website for alumni of **Megha Institute of Engineering and Technology for Women**. The application will be offered as a service and will be deployed on servers managed by Coherendz.
2. Coherendz shall be responsible for the backups, security, and management of the servers.
3. Coherendz shall maintain appropriate administrative, physical, and technical safeguards for protection of the security, confidentiality and integrity of the Institution's Data. It will NOT (a) modify Data, (b) disclose Data except as compelled by law OR as expressly permitted by the Institution OR authorized by the Institution to access any Third-Party Applications (c) access Data except to provide the Services and prevent or address service or technical problems, or at the Institution's request in connection with customer support matters.
4. The Institution shall not
 - a. Make the Services available to anyone other than its alumni, staff and students.
 - b. Sell, resell, rent or lease the Services granted by virtue of this agreement.
 - c. Use the Services to store or transmit infringing, libelous, or otherwise unlawful or tortuous material, or to store or transmit material in violation of third-party privacy rights.
 - d. Use the Services to store or transmit Malicious Code.
5. The cost and payment terms for the service offered is as per the payment terms mentioned in the Appendix.

Coherendz India Private Limited

#01, Catalyst (T-Hub), IIIT Hyderabad Campus, Gachibowli, Hyderabad, India - 500 032
M: +91 9666 131 555

6. Unless otherwise stated, the fees do not include any taxes, levies, charges, duties or similar governmental assessments of any nature, including but not limited to value-added, sales, use or withholding taxes, assessable by any local, state, provincial, federal or foreign jurisdiction.
7. The payments once made are non-refundable, except for clauses mentioned in this agreement.
8. The services purchased cannot be decreased during the relevant subscription term stated in the Appendix.
9. Subject to the limited rights expressly granted hereunder, Coherendz reserves all rights, title and interest in and to the services, including all related intellectual property rights. No rights are granted to the Institution hereunder other than as expressly set forth herein.
10. Subject to the limited rights granted by the Institution authorizing Coherendz to use their data, to provide services, Coherendz acquires no right, title or interest from the Institution under this Agreement in or to Institution's Data, including any intellectual property rights therein.
11. Subject to the limited rights granted by a user to use the services, or user authorizing the Institution to access his information to become a member and use the services, Coherendz acquires no right, title or interest under this agreement to User Data, Including intellectual property therein. User usage of services is governed by End User License Agreement (EULA) and Privacy Policy mentioned at the time of user registration. The Institution has the complete rights on the User Data.
12. Coherendz shall have a royalty-free, worldwide, irrevocable, perpetual license to use and incorporate into the services any suggestions, enhancement requests, recommendations or other feedback provided by the Institution, including Users, relating to the operation of the services. Coherendz also reserves the right to add / modify / discard any of the features that it feels appropriate based on the research and feedback and may not implement all the features suggested by the institutions.
13. Both Coherendz and the Institution shall maintain the confidentiality of all the information, that is designated as confidential, whether orally or in writing, or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure.
14. This Agreement commences on the date accepted and continues until all User subscriptions granted in accordance with this Agreement have expired or been terminated.
15. In case of any disruption of services, for causes including by not limited to, hacking attempts on the server, insertion of malicious codes, server disruptions, server downtimes, etc., Coherendz shall ensure that the services are restored as soon as possible and shall communicate the same to the institution. In any such cases, liability of Coherendz shall restrict only to restoration of services and data from last scheduled backup. The general uptime will be around 99.8% on a month-on-month basis.
16. Either parties may terminate this Agreement for a cause: (i) upon 30 days written notice to the other party of a material breach if such breach remains unresolved at the expiration of such period, or (ii) if the other party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors or (iii) the Institution's account become overdue, in that event no notice is required for termination of this agreement (iv) No information is received from the institution in two months from the date of signing of agreements. In such cases, it is transferred to Sales team to re-initiate the discussions.
17. In no event shall any termination relieve the Institution of the obligation to pay any fees payable to Coherendz for the period prior to the effective date of termination.

Coherendz India Private Limited

#01, Catalyst (T-Hub), IIIT Hyderabad Campus, Gachibowli, Hyderabad, India - 500002
M: +91 9666 131 555

18. Upon any termination for cause by the Institution, Coherenz's liability shall be limited to allow the Institution to download their member data, in comma separated values (.csv) format long with attachments in their native format. Refund of fees, if agreed in the Order Form, shall be only valid, if terminated before the date as mentioned in the order form. Coherenz shall be responsible to meet all such obligations within 3 months of from the date of termination notice. Coherenz shall have no obligation to maintain or provide any of the Data and shall thereafter, unless legally prohibited, delete all of the Data in its systems or otherwise in its possession or under its control.
19. Each party agrees to the applicable governing law above without regard to choice or conflicts of law rules, and to the exclusive jurisdiction of the Courts of Hyderabad India and not any other court anywhere in India. However, both the parties hereby specifically agree to resolve their dispute or disputes if any by appointing the arbitrator or trained mediator mutually consented before approaching any court or quasi-judicial authority.
20. Force Majeure: A party is not liable for failure to perform the party's obligations if such failure is as a result of Acts of God (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, act of foreign enemies, hostilities (regardless of whether war is declared), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, nationalization, government sanction, blockage, embargo, labor dispute, strike, lockout or interruption or failure of electricity or telephone service. No party is entitled to terminate this Agreement in such circumstances.
21. If a party asserts Force Majeure as an excuse for failure to perform the party's obligation, then the nonperforming party must prove that the party took reasonable steps to minimize delay or damages caused by foreseeable events, that the party substantially fulfilled all non-excused obligations, and that the other party was timely notified of the likelihood or actual occurrence of an event described in Clause 20 (Force Majeure).
22. This agreement is valid until either of the parties chooses to terminate it. The agreement will be renewed automatically every year with the payment of the fee for that corresponding year.

Memorandum of Understanding For Academic Collaboration

Between

Megha Institute of Engineering and Technology for Women

Ghatkesar, Hyderabad, Telangana

And

Omega P.G.College-MBA

Edulabad, Medchal(D), Telangana

Megha Institute of Engineering and Technology for Women (MIETW) and Omega P.G.College-MBA (OPGC-MBA) recognize their strengths in education and their mutual interest in engaging themselves in academic cooperation.

MIETW and OPGC-MBA therefore agree to establish a academic collaboration in the areas of mutual interest, and in accordance with terms and conditions set forth in this Memorandum of Understanding (MoU).

A. Objectives

The goal is to foster collaboration, provide opportunity for global experience, and to facilitate advancement of knowledge on the basis of reciprocity, best effort, mutual benefit, and frequent interactions. MIETW and OPGC-MBA agree:

- a) To exchange information on Educational programmes
- b) To exchange information on teaching, learning material and other literature relevant to their educational.
- c) To send faculty for attending Short Term course/ Faculty Development programmes when ever organized.
- d) To participate in Seminars, Conferences, or workshops whenever conducted.

MIETW and OPGC-MBA further agree that detailed terms and conditions that guide each activity identified above will be separately determined and agreed upon by the two institutions.

e-mail : omegapedulabad@gmail.com Ph: 9246805933/ 9912988863

B. Exchange of Faculty and Staff

MIETW and OPGC-MBA agree to encourage collaboration between faculties from the two institutions. Specifically, Institutions will encourage members of their faculties to undertake short visits for delivering Guest Lectures, as and when needed. Terms and conditions for each visit or an assignment, including those concerning travel of faculty member will be worked out between MIETW and OPGC-MBA.

C. Student Exchange

MIETW and OPGC-MBA agree that student exchange will be guided with listed below.

- a) To Exchange of Students for participation in Management events like Paper Presentation, Poster Presentation, etc whenever conducted.
- b) To Exchange of Students for participation in Management workshops whenever organized.

D. Exchange of Technical Material

MIETW and OPGC-MBA will exchange information on educational programmes and teaching/learning material and other literature relevant to their educational programmes.

Further, MIETW and OPGC-MBA agree to explore ways to share teaching/learning material, and other relevant literature, while respecting each other's intellectual property and other rights.

E. Conferences, Workshops, Short-Term Courses and Faculty Development programmes.

MIETW and OPGC-MBA agree to help identify and invite faculty members from the institution to participate in conferences, workshops and short-term courses. The terms and conditions for such participation will be worked out by mutual agreement between MIETW and OPGC-MBA.

F. Intellectual Property

MIETW and OPGC-MBA agree to respect each other's rights to intellectual property. Further, the

intellectual property rights that arise as a result of any collaborative activity under this MoU will be worked out on a case-by-case basis, and will be consistent with the officially laid down policies of the two institutions.

G. Co-ordination

Each institution shall appoint one member of its teaching faculty to coordinate the programme on its behalf.

H. Tenure and Termination

This MoU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for **02(TWO) years** and may be continued thereafter after suitable review and agreement. Either institution may terminate the MoU by giving written notice to the other institution **One month** in advance. However, MIETW and OPGC-MBA will ensure that all activities in progress are allowed to complete successfully.

I. Arbitration Clause

Should there be a dispute relating to any aspect of academic cooperation, MIETW and OPGC-MBA will jointly resolve the dispute in a spirit of independence, mutual respect, and shared responsibility.

B. Exchange of Faculty and Staff

MIETW and NNRESGI agree to encourage collaboration between faculties from the two institutions. Specifically, Institutions will encourage members of their faculties to undertake short visits for delivering Guest Lectures, as and when needed. Terms and conditions for each visit or an assignment, including those concerning travel of faculty member will be worked out between MIETW and NNRESGI.

C. Student Exchange

MIETW and NNRESGI agree that student exchange will be guided with listed below.

- a) To Exchange of Students for participation in Technical events like Paper Presentation, Poster Presentation, etc whenever conducted.
- b) To Exchange of Students for participation in Technical workshops whenever organized.
- c) To Exchange of Students to visit laboratories of the institutions for upgrade of knowledge and work.

D. Exchange of Technical Material

MIETW and NNRESGI will exchange information on educational programmes and teaching/learning material and other literature relevant to their educational programmes.

Further, MIETW and NNRESGI agree to explore ways to share teaching/learning material, and other relevant literature, while respecting each other's intellectual property and other rights.

E. Conferences, Workshops, Short-Term Courses and Faculty Development programmes.

MIETW and NNRESGI agree to help identify and invite faculty members from the institution to participate in conferences, workshops and short-term courses. The terms and conditions for such participation will be worked out by mutual agreement between MIETW and NNRESGI.

F. Intellectual Property

MIETW and NNRESGI agree to respect each other's rights to intellectual property. Further, the intellectual property rights that arise as a result of any collaborative activity under this MoU will be worked out on a case-by-case basis, and will be consistent with the officially laid down policies of the two institutions.

Chowdariguda, Hyderabad, Telangana

Megha Institute of Engineering and Technology for Women (MIETW) and Nalla Narasimha Reddy Education Society's Group of Institutions-Integrated Campus (NNRESGI) recognize their strengths in education in Civil Engineering Department and their mutual interest in engaging themselves in academic cooperation.

MIETW and NNRESGI therefore agree to establish a academic collaboration in the areas of mutual interest, and in accordance with terms and conditions set forth in this Memorandum of Understanding (MoU).

A. Objectives

The goal is to foster collaboration, provide opportunity for global experience, and to facilitate advancement of knowledge on the basis of reciprocity, best effort, mutual benefit, and frequent interactions. MIETW and NNRESGI agree:

- a) To exchange information on Educational programmes
- b) To exchange information on teaching, learning material and other literature relevant to their educational.
- c) To send faculty for attending Short Term course/ Faculty Development programmes when ever organized.
- d) To participate in Seminars, Conferences, or workshops whenever conducted.

MIETW and NNRESGI further agree that detailed terms and conditions that guide each activity identified above will be separately determined and agreed upon by the two institutions.

B. Exchange of Faculty and Staff

MIETW and NNRESGI agree to encourage collaboration between faculties from the two institutions. Specifically, Institutions will encourage members of their faculties to undertake short visits for delivering Guest Lectures, as and when needed. Terms and conditions for each visit or an assignment, including those concerning travel of faculty member will be worked out between MIETW and NNRESGI.

C. Student Exchange

MIETW and NNRESGI agree that student exchange will be guided with listed below.
