Respected Sir/Ma'am,

MADE EASY in association with your esteemed group would like to conduct a webinar on **Strategy to crack GATE-ESE & Other competitive Exams.**

In this pandemic period, where everyone is skeptical of attending offline classes, MADE EASY has come up with a comprehensive and jubilant approach to motivate the students through webinars. Since the last two decades, MADE EASY has been exhilarating the enthusiasm in different domains of GATE, Engineering Services, Public Sector Exams, Civil Services Examinations, etc. These webinars will be conducted by the highly knowledgeable faculties of MADE EASY who possess vast teaching experience and other experts who have topped prestigious competitive exams like UPSC-Engineering Services Examination, GATE, ESE etc. Our motto is to encourage your students to achieve their dreams through proper guidance & positive vibes.

Topic: Strategy to Crack GATE-ESE & Other Competitive Exams

Duration: 90 min to 120 min (Question & answer session will be conducted at the end of the webinar)

This webinar will focus on:

- In & out of GATE-ESE & other competitive exams
- Various career opportunities
- Productive utilization of COVID period for academics & competitive exams
- Do's & don't to become a topper
- Why and why not approach?
- Many arrows in one quiver
- Art of making effective notes
- How to face different phases of recruitment (Written Test/GD/Interview)

Platform: Zoom, Google-Meet, or any other online platform as per the convenience of the college/institute.

Note: This session will be free of cost and no promotional activity will be involved.

Let's inculcate the idea of achieving the culmination, as the proverb says "let not my winged days, be spent in vain".

We look forward to hearing from you soon. Please feel free to contact us, in case of any queries.

Kindly let us know the date to arrange this session.

Thanks and regards,

Abdul Rafeeq

Webinar on Strategy to crack GATE-ESE & Other competitive Exams

On July 27, 2020, there was a webinar conducted by the faculty of Made Easy Institute, an institute that coaches and prepares students to appear for competitive exams such as GATE-ESE. There was good participation from the students of our college and the webinar ended on an enthusiastic note, and the students felt

About facing the different competitive exams in store in the near future.

The faculty of our Institute expressed their thanks for the kind gesture shown by Made Easy.

Valuable Comments:

Seminar is quite valuable for final year students who could gain knowledge about various methods in cracking GATE-ESE easily.

* The parameters may be improved/increased for analysis and action taken; its good to be 5-point scale

The Resource Person,

Sir,

Subject: Invitation for Xcelvations Workshop.

As part of our program to enhance the fine-tuning of students' job-readiness, we are conducting a program titled, "Xcelvations Workshop." To this end we would like to invite you to our institute on Feb 3rd 2020 at Megha Institute of Engineering and Technology for Women to enlighten and guide our students to understand the importance of good communication skills, etiquette, and body language. This will surely go a long way in their future endeavors and make them better communicators and successful individuals.

Thank you in Anticipation.

Truly Yours,

Principal

The Resource Person,

Sir,

Subject: Invitation for Seminar on Signal Theory for Competitive Exams .

As part of our program to enhance the fine-tuning of students' job-readiness, we are conducting a program titled, "Signal Theory for Competitive Exams ." To this end we would like to invite you to our institute on SEP 25th 2019 at Megha Institute of Engineering and Technology for Women to enlighten and guide our students to understand the importance of good communication skills, etiquette, and body language. This will surely go a long way in their future endeavors and make them better communicators and successful individuals.

Thank you in Anticipation.

Truly Yours,

Principal

The Resource Person,

Sir,

Subject: Invitation for Seminar on Qualitative Quantitative Measures Role Of Psychology in Career .

As part of our program to enhance the fine-tuning of students' job-readiness, we are conducting a program titled, "Qualitative Quantitative Measures Role Of Psychology in Career." To this end we would like to invite you to our institute on SEP 21st 2019 at Megha Institute of Engineering and Technology for Women to enlighten and guide our students to understand the importance of good communication skills, etiquette, and body language. This will surely go a long way in their future endeavors and make them better communicators and successful individuals.

Thank you in Anticipation.

Truly Yours,

Principal

The Resource Person,

Sir,

Subject: Invitation for Workshop on Awareness On Placement Challenges .

As part of our program to enhance the fine-tuning of students' job-readiness, we are conducting a program titled, "Awareness on Placement Challenges." To this end we would like to invite you to our institute on Aug 21st 2019 at Megha Institute of Engineering and Technology for Women to enlighten and guide our students to understand the importance of good communication skills, etiquette, and body language. This will surely go a long way in their future endeavors and make them better communicators and successful individuals.

Thank you in Anticipation.

Truly Yours,

Principal

The Resource Person,

Sir,

Subject: Invitation for Seminar on Career Aspect Awareness.

As part of our program to enhance the fine-tuning of students' job-readiness, we are conducting a program titled, "Career Aspect Awareness ." To this end we would like to invite you to our institute on Aug 8th 2019 at Megha Institute of Engineering and Technology for Women to enlighten and guide our students to understand the importance of good communication skills, etiquette, and body language. This will surely go a long way in their future endeavors and make them better communicators and successful individuals.

Thank you in Anticipation.

Truly Yours,

Analytical Mathematics for Competitive Exams on Sept.8th 2018 for AY-2018-19

Megha Institute of Engineering and Technology for Women conducts one-day seminar on Analytical Mathematics for Competitive Exams. As the fresh graduates are battered with competitive exams immediately after their engineering exams, it is very important for them to be prepared and be on their toes to face the challenges. To this end, classes for Analytical Mathematics are conducted at the end of the last semester.

Valuable Comments:

*The session is very helpful and we can
apply the mathematical tricks in our day to
day life.*

* The parameters may be improved/increased for analysis and action taken; its good to be 5-point scale

The Resource Person,

Sir,

Subject: Invitation for Seminar on Research Aptitude For Competitive Exams.

As part of our program to enhance the fine-tuning of students' job-readiness, we are conducting a program titled, "Research Aptitude For Competitive Exams ." To this end we would like to invite you to our institute on Sep 22nd 2018 at Megha Institute of Engineering and Technology for Women to enlighten and guide our students to understand the importance of good communication skills, etiquette, and body language. This will surely go a long way in their future endeavors and make them better communicators and successful individuals.

Thank you in Anticipation.

The Resource Person,

Sir,

Subject: Invitation for Seminar on How to Succeed in Interviews.

As part of our program to enhance the fine-tuning of students' job-readiness, we are conducting a program titled, "How to Succeed in Interviews." To this end we would like to invite you to our institute on Sep 24th 2018 at Megha Institute of Engineering and Technology for Women to enlighten and guide our students to understand the importance of good communication skills, etiquette, and body language. This will surely go a long way in their future endeavors and make them better communicators and successful individuals.

Thank you in Anticipation.

Truly Yours,

Principal

HOW TO SUCCEED IN INTERVIEWS

Megha Institute of Engineering and Technology for Women conducts one-day seminar on “How to Succeed in Interviews.” As the fresh graduates are battered with interviews immediately after their engineering exams, it is very important for them to be prepared and be on their toes to face the challenges. To this end, classes for, “How to Succeed in Interviews” are conducted at the end of the last semester.

Valuable Comments:

The session is very interesting and
we learnt alot of valuable interview timings.

* The parameters may be improved/increased for analysis and action taken; its good to be 5-point scale

The Resource Person,

Sir,

Subject: Invitation for Seminar on Career Enhancement Program.

As part of our program to enhance the fine-tuning of students' job-readiness, we are conducting a program titled, "Career Enhancement Program." To this end we would like to invite you to our institute on Aug 19th 2016 at Megha Institute of Engineering and Technology for Women to enlighten and guide our students to understand the importance of good communication skills, etiquette, and body language. This will surely go a long way in their future endeavors and make them better communicators and successful individuals.

Thank you in Anticipation.

Truly Yours,

The Resource Person,

Sir,

Subject: Invitation for Seminar on Presentation Skills and Body Language.

As part of our program to enhance the fine-tuning of students' job-readiness, we are conducting a program titled, "Presentation Skills and Body Language." To this end we would like to invite you to our institute on Oct.18th 2016 at Megha Institute of Engineering and Technology for Women to enlighten and guide our students to understand the importance of good communication skills, etiquette, and body language. This will surely go a long way in their future endeavors and make them better communicators and successful individuals.

Thank you in anticipation.

Truly Yours,

Principal

Presentation Skills and Body Language on Oct.18th 2016 AY-2016-17

Megha Institute of Engineering and Technology for Women conducts one-day seminar on “Presentation Skills and Body Language.” As the fresh graduates are battered with interviews immediately after their engineering exams, it is very important for them to be prepared and be on their toes to face the challenges. To this end, classes for, “**Presentation Skills and Body Language**” are conducted at the end of the last semester.
