*Edulabad (V), Ghatkesar(M), Medchal (D) Telangana*

Our institute, MIETW, is Alma Matter to many bright students who have passed out from this college with flying colours and landed in top notch organizations in enviable positions with great responsibilities. Our students are regarded as efficient and competent workers leading from the front and setting examples in the companies that they work for.

Megha Institute is proud not only of the students who successfully passed out from our college, but proud of the students who have taken their academics further by enrolling in various Post Graduate Programs like Masters in Technology, Masters in Business Administration, Masters in Science, and those who have chosen to take up teaching.

By this, we can say that our students were not only good students, but also good enough to produce good students like themselves.
