DAY - 1

Introduction

Electromagnetism

What is Maxwell's theory?

What is Ampere Maxwell law?

Explain about Charges, Fields and Lorentz-Force Law

DAY - 2

What is the importance of electromagnetism in our daily lives?

Electromagnetic Waves.

What did Maxwell's Electromagnetic Theory Predict?

Working Principle of Electromagnetic Control System.

Sir

We introduce ourselves as Megha Institute of Engineering and Technology for Women, established in the year 2008 by Crescent Educational Society to impart quality technical education in the field of Engineering. The institute is approved by A.I.C.T.E and affiliated to JNTUH.

At present the institute is offering B.Tech course in Electrical, Electronics and Communication Engineering, Civil Engineering, Computer Science & Engineering, MBA, and Polytechnic.

We from CIVIL Department would request you to conduct a One Day Guest Lecture for CIVIL staff and students for their benefit and feature.

It would be an honour for us to have you in the campus on 06-02-2018, 10am. To enlighten and motivate our students.

Looking forward for your acceptance and presence in our college.

Sub: Request to organize a "One day Guest Lecture on "CONSTRUCTION TECHNOLOGY AND PROJECT MANAGEMENT" -reg

Sir

We introduce ourselves as Megha Institute Of Engineering And Technology For Women, established in the year 2008 by Crescent Educational Society to impart quality technical education in the field of Engineering. The institute is approved by A.I.C.T.E and affiliated to JNTUH.

At present the institute is offering B.Tech course in Electrical, Electronics and Communication Engineering, Civil Engineering, Computer Science & Engineering, MBA, and Polytechnic.

We from CIVIL Department would request you to conduct a one day Guest lecture for CIVIL staff and students for their benefit and feature.

It would be an honour for us to have you in the campus on 24-01-2020, 10am. To enlight and motivate our faculty.

Looking forward for your acceptance and presence in our college.

Thanking you
