

CRITERIA 7: INSTITUTIONAL VALUES AND BEST PRACTICES (100)

	GENDER EQUALITY	WEIGHTAGE
<p>7.1.1</p>	<p align="center">MEASURES INITIATED BY THE INSTITUTION FOR THE PROMOTION OF GENDER EQUALITY DURING THE LAST 5 YEARS</p> <p>Megha Institute of Engineering and Technology is committed to promote Gender equality and provides a safe and secured environment for all the students, which is free from oppression, threat, and abuse or ragging. This is achieved by conducting various sensitization campaigns, training centers, seminars, programs. This Institution is free from ragging, sexual abuse and thus ensuring fundamental rights for all its stakeholders.</p> <p>Gender equity & sensitization in curriculum:</p> <p>The course on “Gender Sensitization (An Activity-based Course)” was introduced by the affiliating university JNTUH as a compulsory foundation course with two credits in II year I & II semester for all branches of Engineering and Technology from the academic year 2015-16 respectively. It has to be treated as a Lab Subject. Further continuing with “Gender Sensitization Lab” from 2016-17 onwards.</p> <p>Gender Equity & Sensitization In Co-Curricular Activities:</p> <p>The Gender equity promotion programs organized by the institution during the last five years:</p>	<p>5</p>

CCTV MONITORING ROOM.

As a part of Gender Equity & Sensitization our college took out monitoring the entire campus through CCTV. Cameras are placed all across the look and corners of the campus and is monitored

in the CCTV control room. This makes things happen cordially in an amicable manner according to norms of the college.

The main entrance aptly guarded by Professional security guards

The main aim in placing professional security guards is to prevent illegal and unauthorized entry into the campus. Along with the CC cameras, the entry into the campus is allowed for the authorized persons only.

To avoid unforeseen disasters through fire ,the college has adopted to ensure that any outburst of fire is brought into the control at the early stage.Fire extinguishers are place in to campus to see that fire accidents are prevented.

Counselling rooms are very helpful in interacting with the students on one-on-one basis. This is the time the girl students avail in discussing their personal issues or to that extent the problems with the

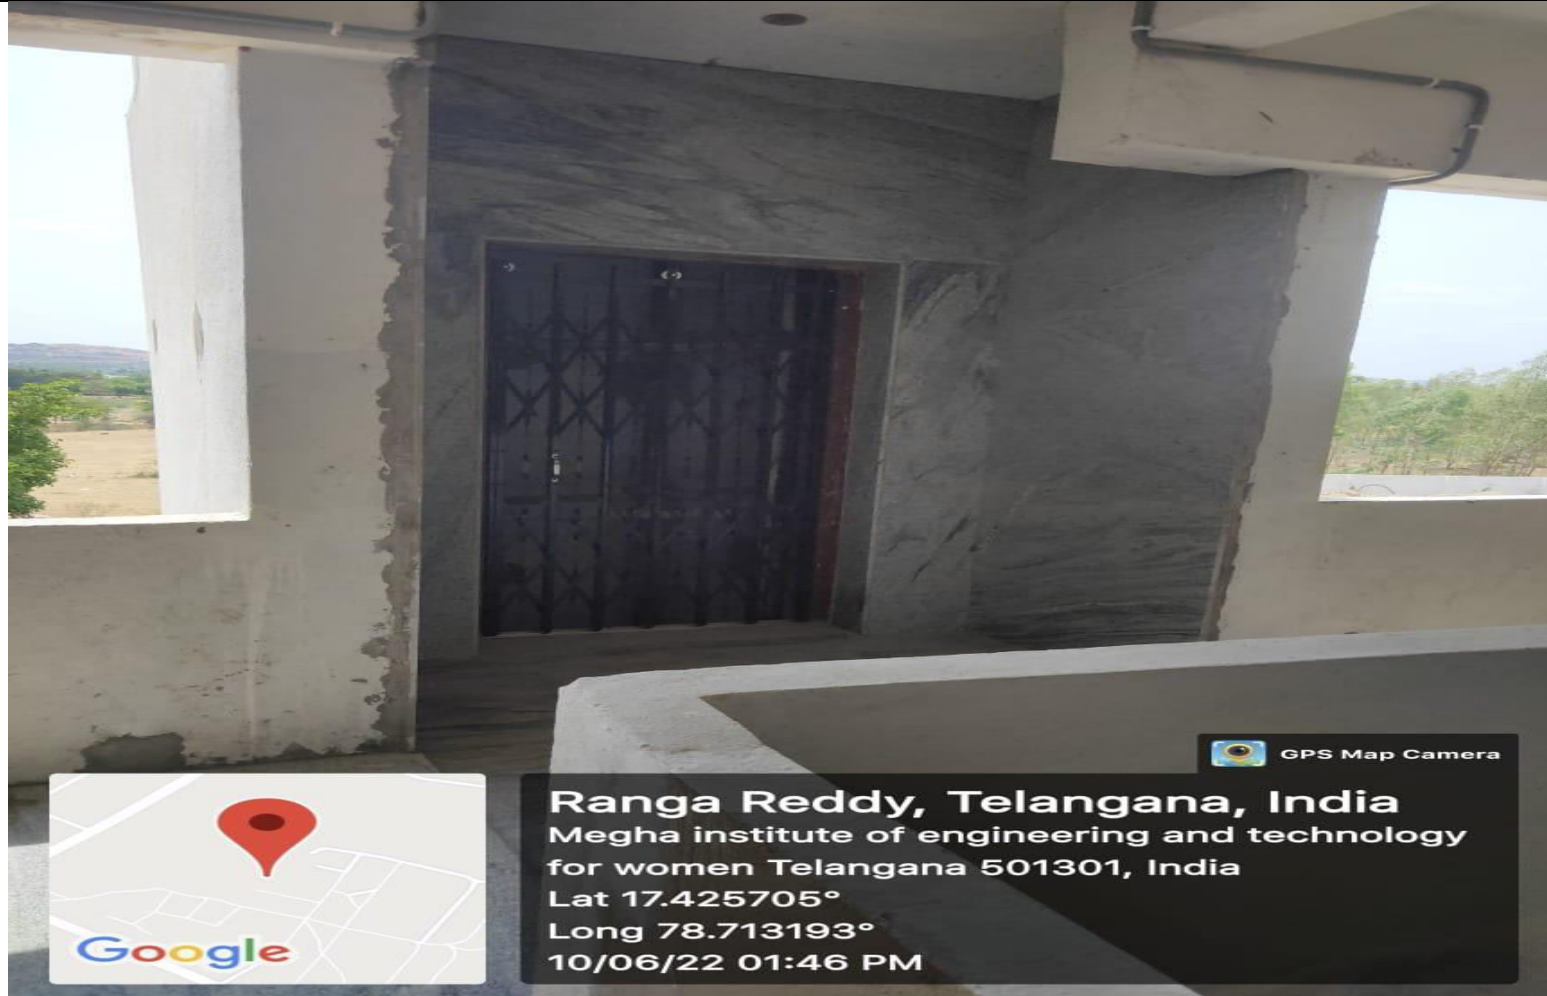

counsellors. This gives the girl students much support and morale boosting confidence in overcoming their issues.

	<p>These common rooms are arranged to gather students informally and relax. Students at their leisure gather here to organize themselves to prepare for the next lecture. Or to that extent relax themselves</p>	
--	--	--

This is another way to relax themselves between classes and even in breaks. They can even groom themselves to perfection

For the benefit of the Divyangan students, the college has the facility of helping the students with the Lifts. This helps students and other senior staff to commute between the floors .These lifts are aptly connected with ramps.

Fleet of college busses ready to ply between the college and the houses of the students ,,,to all nook and corners of the city

	<p>The college provides bus facility for the students on a minimal charge to every corner of the twin cities. This privilege is availed almost by all the students. This makes the students to commute to college on time and is well secured.</p>
