The volunteers of NSS- MIETW celebrated on 26th August "Women's Equality Day". On this occasion, NSS Volunteers along with faculty visited the nearby Village Marrisallygudam.

The main theme of this programme was spreading awareness about the issues that women individually face in today's world and try to make it clear that this is an actual cause which needs protest and fight.

The program started with a rally displaying placards and banners in support of women empowerment and other needs. After the rally, the student volunteers started briefing which focused on why women's safety, education, equality, empowerment are significant. On the contrary, it does make a difference and can bring in a greater change in India. Basically, the secret behind this day is to point out the accomplishments of women in terms of social, political and economic spheres.

Children’s Day is always special, as it marks the birth anniversary of our beloved ex-Prime Minister Pandit Jawaharlal Nehru. To honor this occasion, the NSS Unit decided to celebrate it with the children of Mandal Parishad Primary School, Edulabad. We had 27 members visit the school to meet students of classes 1 to 5 and distributed sweets, snacks and gifts to the kids present and also spread the message of love, cleanliness and joy to everyone out there.

NSS Unit MIETW organized a rally with the caption, Empowering Girls by Education under the patronage of our worthy Principal Dr. Venu Gopal Rao and guidance of NSS PO Mr. K. Madhu Babu as a part of the International Girl Child Day.

The reason for celebrating this day is to make the girls of the country aware of their rights and importance of girl education, health and nutrition. The celebrations also marked the anniversary of the BBBP Scheme. Girls' education strengthens economies and reduces inequality. Educating girls saves lives and builds stronger families, communities and economies. Empowered, educated girls have healthier, better-educated children and higher wages; helping break the cycle of poverty.

On this occasion, the NSS volunteers participated in the rally organized from Necklace Road to Tank Bund by holding placards creating awareness among the public about the Girl Child Education.

Name of the Coordinator	Mr K Madhu Babu, Asst Professor, MBA Department, UNIT-MIETW				NSS

NSS-UNIT MIETW conducted the SAPLING DISTRIBUTION PROGRAMME on 3rd May 2017 at Marripalligudem Village, NSS Volunteers Started from the Campus at 10.30 AM on the college bus; after reaching the Village, the NSS Volunteers along with faculty members were divided into 8 groups and selected different streets.

Some of our volunteers visited every house and distributed saplings and made them aware of the importance of trees and adverse effects of deforestation. Most of the villagers showed a great interest towards planting trees and they gave an assurance that they will take care of them.

Some of the villagers interacted with the volunteers and shared their feelings and problems with them. Our volunteers listened to their problems and made them feel comfortable to make them happy by giving a hope that they will pass all the problems in the village to the Panchayat and the Government to take necessary actions to solve the problems in the village.

The programme ended at 1 PM; all the NSS volunteers boarded the bus and back to the college by 2 PM. The students felt very happy after the programme and were very much excited to do such programs in the future.
