and Engineering*

RENDEZVOUS ' 22

By Presentation club

REPORT

Report Summary:

The annual festival of Megha Institute of Engineering and Technology for Women was held on April 28th, 29th, and 30th in the extensive college campus in Edulabad, Ghatkesar. Throughout this time, all of the college's departmental staff and students interact, learn, enjoy, and celebrate our progress in a three-day festival in which all clubs organise their own activities and competitions. The Presentation Club from the Department of Computer Science and Engineering organised the RENDEZVOUS'22 event this year.

The Presentation Club took part in the first two days of the event, which is called as the technical part of the festival. The club organised presentation competition, which was divided into a non-digital and digital segment, where they had to present a topic of their choosing and showcase their views. The two segments were separated over the course of 2 days giving participants the liberty of joining both the event if they would like to, and true to the expectation, there were 13 out of total 54 participants that were willing to engage in both the platforms.

The first day of the event, 28th April 2022, involved the non-digital segment called the POSTER PRESENTATION, where the participants made pictograms, arts of paper, drawings illustrating their vision of the topic, and text. On the next day, the

event took a digital turn where students made digital version of their idea in form of a slideshow. This segment was called POWERPOINT PRESENTATION. The competitors were graded based on their creative approach, quality and credibility of the work, their communication skills, and their ability to express their views verbally and keeping the audience connected and interested throughout the course of their presentation.

The event was hosted by Ms. Shivani, who showed at most cooperation with the coordinators to make the two days' event as much of a blast as it was. The winners of both the event, were announced on the last day of the event and the hon'ble Chief Guest K.Malathi Reddy presented them with their award. The conclusion to the event was given by Ms. N Lakshmi Prasanna with a vote of thanks to all the people that were involved, mentors coordinators, students, staff and crucially the participants and the guests who make this event a triumph.
